BARABBAS

polished | white | 60x120cm

White polished porcelain:

is widely used for **interior flooring** in resdential, commercial, and hospitality spaces due to its **high gloss, light reflection and clean modern appearance**.
It enhances brightness,creates a sense of spaciousness, and offers **high density, low water absorption, and good mechanical resistance**, making it suitable for high-traffic indoor areas.

Sugar matt porcelain:

Sugar matt porcelain is a specialized porcelain featuring a matt surface enriched with fine crystalline particles that create a velvety texture with a controlled, subtle sparkle.This surface structure maintains a non-glossy appearance while providing greater visual depth compared to standard matte finishes.Due to its uniform texture and high-quality digital printing, sugar matt porcelainis an ideal choice for decorative spaces and feature walls. The combination of luxurious aesthetics, distinctive tactile feel, and high durability makes this product a standout option in modern interior design.
