DAYTON

Polished | Gray | 100x100cm

06 Faces

DAYTON

Polished | Gray

Polished porcelain:

is widely used for **interior flooring** in residential, commercial, and hospitality spaces due to its **high gloss, light reflection, and clean modern appearance**.

It enhances brightness, creates a sense of spaciousness, and offers **high density, low water absorption, and good mechanical resistance**, making it suitable for high-traffic indoor areas.
